HIGHWAY TRAFFIC ACT
TOWN OF STEPHENVILLE
SNOW CLEARING REGULATIONS
PUBLISHED BY AUTHORITY

Pursuant to the power delegated by the Minister of Transportation and Works under Section 189 of the *Highway Traffic Act* and pursuant to the authority conferred by Section 414 (2) (oo) of the *Municipalities Act, 1999*, the TOWN OF STEPHENVILLE hereby enacts the following Regulations which were adopted at a Public Council Meeting held on the 4th day of February, 2014.

TOWN OF STEPHENVILLE
Tom O'Brien, MAYOR

1. TITLE

These Regulations shall be known as the "*Town of Stephenville Snow Clearing Regulations*".

2. DEFINITIONS

- (a) "Regulations" shall mean the TOWN OF STEPHENVILLE Snow Clearing Regulations.
- (b) "Council" shall mean the Town Council of the TOWN OF STEPHENVILLE.

- (c) “Municipal Enforcement Officer” means for the purpose of these Regulations, a peace officer with the powers as outlined in the *Municipalities Act, 1999*, SNL1999 cM-24, and amendments and as outlined in the *Highway Traffic Act*, RSNL1990, cH-3 and amendments.
- (d) “Persons” means any person, firm, partnership, association, corporation or any organization of any kind.
- (e) “Sidewalk” means any public thoroughfare existing in the Town, whether or not the ownership of same is vested in the Council and includes all public roads, streets, lanes, bridges, and street or road reserves.
- (f) “Street” shall mean any street, road or highway or any other way designed or intended for public use for the passage of vehicles and pedestrians, owned by the Authority or other public agency and maintained at public expenses and is accessible to Fire Department vehicles and equipment.
- (g) “Road Reservation” shall mean an area determined by Council that is reserved for a street, a future street or future street improvements and shall be as outlined in Appendix “A”.
- (h) “Town” shall mean the TOWN OF STEPHENVILLE.

3. SNOW CLEARING PERIOD

- (a) The period between the first day of December in each year and the last day of April in the year following, and any other period when unusual snow and/or ice conditions prevail, shall be known as the “Snow Clearing Period”.
- (b) The “Snow Clearing Period” shall include the first day of December and the last day of April.

4. DEPOSITING OF SNOW

During the Snow Clearing Period, no person shall deposit or cause or permit to be deposited any snow and/or ice from driveways, sidewalks, parking lots or any other property under their ownership or control, onto any street or road reservation within the Town.

5. REMOVAL OF SNOW FROM SIDEWALKS

- (a) During the Snow Clearing Period, the occupant, or in the absence of the occupant, the owner, of a commercial property within the limits of the Town shall remove snow and ice from sidewalks adjoining or adjacent to such property.
- (b) All snow and ice shall be removed from such sidewalks as soon as practicable after a fall of snow or the formation of ice, and in no case, later than twenty-four (24) hours thereafter.
- (c) When the clearing away and removal of ice from such sidewalks may cause damage thereto, such occupant or owner shall, as soon as practicable, spread sand or salt, or a combination of the two, upon those portions of the sidewalks where ice has formed.
- (d) No person shall cause any damage to any sidewalks in the process of clearing away and removing snow or ice therefrom.
- (e) The Council, or any person authorized for the purpose of the Council, may clear away and remove snow and ice from the sidewalks adjoining or adjacent to a business property at the expense of the owner of such property.
- (f) Where the Council, or any person authorized for the purpose by the Council, has done the work of clearing away and removing snow or ice under Subsection (e) and the owner refuses or neglects to pay the expense of such work within ten (10) days after demand made therefor, the Council may recover from the owner the expense incurred by action as a civil debt due to the Council.

6. LIABILITY FOR DAMAGES

Claims against the Town for damage to mobile or portable articles, garbage boxes, buildings, fences, trees, shrubs, ledges, rock walls and lawns on private property will be accepted by the Town when they occur, as a result of being struck by equipment operated by employees of the Town or by Town contractors during the periods of time they are engaged in work on behalf of the Town and where they occur outside the road reserve of that street as designated in Appendix "A".

7. DISCLAIM OF DAMAGES

No claims for damages to property will be accepted by the Town where:

- (a) the damages occurred on or to property located within the road reserve of the street; or
- (b) the damages occurred as a result of the weight of the snow and/or ice deposited on mobile or portable articles, garbage boxes, buildings, fences, trees, shrubs, hedges, rock walls and lawns; or
- (c) lawns become brown or decayed as a result of the deposit of snow and/or ice and/or salt/sand; or
- (d) a claim for damages is received by the Town after June 30 of the year in which the snow clearing period ends.

8. PENALTIES

- (a) Any person who violates or fails to comply with any provision of these Regulations is guilty of an offence and on summary conviction is liable to a fine not exceeding: for the first offence, two hundred and fifty dollars (\$250.00), or in default, to a period of imprisonment not exceeding thirty (30) days, or to both such fine and period of imprisonment; for the second offence, five hundred dollars (\$500.00), or in default, to a period of imprisonment not exceeding sixty (60) days, or to both such fine and period of imprisonment; and for subsequent offences, one thousand dollars (\$1,000.00) or, in default, to a period of imprisonment not exceeding ninety (90) days, or to both such fine and period of imprisonment.
- (b) The conviction of a person under sub-section (a) does not operate as a bar to further prosecution for the continued failure on the part of a person to comply with these Regulations.

9. PROSECUTION

Prosecution under these Regulations may be taken summarily by a Municipal Enforcement Officer, Police Constable or by any person authorized by Council.

10. PREVIOUS REGULATIONS

All previous TOWN OF STEPHENVILLE Public Safety Regulations and amendments are repealed.

11. COMPLIANCE WITH OTHER ACTS AND REGULATIONS

Nothing in these Regulations served to exempt any person from obtaining any license, permission, permit, authority or approval required by any other regulations of the Town or any statute or regulation of the Province of Newfoundland and Labrador, and in such cases where more than one regulation or statute applies the more restrictive regulation or statute shall apply.

12. EFFECTIVE DATE

These Regulations shall come into force on the 14th day of February, 2014.

In witness whereof, the Seal of the Town of Stephenville has been affixed herewith and the Mayor and Town Clerk have signed these Regulations on behalf of the Town Council of Stephenville this 4th day of February, 2014.

TOWN OF STEPHENVILLE
Tom O'Brien, Mayor
Carolyn Lidstone, Town Clerk

|---|--------------------------------|
| 1. S.2 Amdt.
Definitions | 3. S.9 R&S
Review processes |
| 2. S.4 Amdt.
Submission requirements | |

NLR 23/12
as amended

1. Section 2 of the *Interchangeable Drug Products Formulary Regulations, 2012* is amended by adding immediately after paragraph (c) the following:

- (c.1) "cross licensed drug" means a drug that is the subject of an agreement between 2 companies where one company supplies a drug product to another company for sale under the second company's name;

2. (1) Paragraph 4(a) of the regulations is repealed.

(2) Paragraph 4(e) of the regulations is repealed and the following substituted:

- (e) confirmation satisfactory to the minister or the advisory committee that the applicant is able to supply the drug to meet the needs of the market for that drug throughout the entire province;

3. Section 9 of the regulations is repealed and the following substituted:

Review processes

9. (1) Where a drug meets the submission requirements of section 4 it shall be reviewed for inclusion in the formulary in accordance with subsection (2), (3) or (4) by

- (a) the minister, in an administrative review; or
- (b) the advisory committee, in a standard review process or an expert review process.

(2) The following drugs shall be subject to an administrative review process:

- (a) an ultra-generic drug;
- (b) a cross licensed drug where the other drug is currently listed in the formulary;
- (c) a drug with a Canadian reference product to a generic drug currently listed in the formulary;
- (d) a drug with a Canadian reference product to a generic drug that had not previously been submitted or reviewed for inclusion in the formulary; and
- (e) a drug with a Canadian reference product to a brand name product.

(3) The following drugs shall be subject to a standard review process:

- (a) a drug with a Canadian reference product to a generic drug that has either been rejected from inclusion in the formulary or removed from the formulary for any reason;
 - (b) a drug with a Canadian reference product to a non-Canadian reference product; and
 - (c) notwithstanding subsection (2), a drug which the minister determines should be reviewed in accordance with a standard review process.
- (4) The following drugs shall be subject to an expert review process:
- (a) a drug without a Canadian reference product which is not
 - (i) an ultra-generic drug, or
 - (ii) a cross licensed drugwith another drug currently listed on the formulary;
 - (b) a drug referred for an expert review process as a result of concerns identified in the standard review process; and
 - (c) notwithstanding subsection (2) or subsection (3), a drug which the minister determines should be reviewed in accordance with an expert review process.
- (5) A submission to the expert review process shall include bioequivalence and bioavailability studies relating to the drug that is the subject of the submission, and any other information that the advisory committee may require to assess the drug.
- (6) In addition to the submission requirements in section 4, when assessing a drug for inclusion in the formulary the minister or the advisory committee, shall consider the following:
- (a) the definition of interchangeable drug products as set out in the Act;
 - (b) whether the drug is of consistent satisfactory quality and safety;

- (c) any clinical concerns raised to or by the advisory committee;
and
- (d) those other matters which the minister or advisory committee considers necessary in the review process.

**NEWFOUNDLAND AND LABRADOR
REGULATION 11/14**

Labrador West Transmission Exemption Order
under the
Electrical Power Control Act, 1994
and the
Public Utilities Act
(O.C. 2014-033)

(Filed February 13, 2014)

Under the authority of section 5.2 of the *Electrical Power Control Act, 1994* and section 4.1 of the *Public Utilities Act*, the Lieutenant-Governor in Council makes the following Order.

Dated at St. John's, February 13, 2014.

Julia Mullaey
Clerk of the Executive Council

ORDER

Analysis

1. Short title
2. Definition
3. Exemption

Short title

1. This Order may be cited as the *Labrador West Transmission Exemption Order*.

Definition

2. In this Order, "Labrador West Transmission Project" means the new 230kV transmission system between Churchill Falls and Labrador West which is substantially composed of the following:

- (a) one 230 kV AC transmission line, approximately 220 kilometres in length, between the Churchill Falls Terminal Station and the new Flora Lake Terminal Station located in Wabush, which line is comprised of steel tower structures similar to those used for the existing 230 kV lines between Churchill Falls and Labrador West;
- (b) one 230 kV AC transmission line, approximately 5 kilometres in length, between the new Flora Lake Terminal Station and the existing Wabush Terminal Station, which line is comprised of steel tower structures similar to those used for the existing 230 kV lines between Churchill Falls and Labrador West;
- (c) interconnection of the new 230 kV transmission line from Flora Lake to the existing Churchill Falls Terminal Station, including:
 - (i) equipment to be installed including high voltage circuit breakers, disconnect/ground switches, surge arrestors and voltage potential transformers,
 - (ii) all site development, demolition, foundations, structure installation, grounding, cables, trenches, protection and control equipment, communications and SCADA equipment, control building, and associated works required for new transmission line interconnection, and
 - (iii) upgrades to existing Terminal Station equipment in order to facilitate interconnection of the new system;
- (d) interconnection to the existing Wabush Terminal Station with infrastructure to connect the new 230 kV transmission line, including:
 - (i) equipment to be installed including high voltage circuit breakers, disconnect/ground switches, surge arrestors and voltage potential transformers,
 - (ii) all site development, demolition, foundations, structure installation, grounding, cables, trenches, protection and control equipment, communications and SCADA equipment, control building modifications, and associ-

ated works required for new transmission line interconnection, and

- (iii) upgrades to existing Terminal Station equipment in order to facilitate interconnection of the new system; and
- (e) the development of the new Flora Lake Terminal Station with infrastructure to connect the new 230 kV transmission lines, including:
 - (i) construction of a new terminal station including circuit breakers, disconnect/ground switches, surge arrestors, voltage potential transformers and capacitor banks, and
 - (ii) all site development activities, terminal station structures, foundations, access roads, control building construction, station service, grounding, wiring, protection, control, and communication equipment.

Exemption

3. Newfoundland and Labrador Hydro is exempt from the *Electrical Power Control Act, 1994* and the *Public Utilities Act* for all planning, design, construction and contribution activities pertaining to the Labrador West Transmission Project.

Submission requirements | |

NLR 23/12
as amended

1. Section 2 of the *Interchangeable Drug Products Formulary Regulations, 2012* is amended by adding immediately after paragraph (c) the following:

- (c.1) "cross licensed drug" means a drug that is the subject of an agreement between 2 companies where one company supplies a drug product to another company for sale under the second company's name;

2. (1) Paragraph 4(a) of the regulations is repealed.

(2) Paragraph 4(e) of the regulations is repealed and the following substituted:

- (e) confirmation satisfactory to the minister or the advisory committee that the applicant is able to supply the drug to meet the needs of the market for that drug throughout the entire province;

3. Section 9 of the regulations is repealed and the following substituted:

Review processes

9. (1) Where a drug meets the submission requirements of section 4 it shall be reviewed for inclusion in the formulary in accordance with subsection (2), (3) or (4) by

- (a) the minister, in an administrative review; or
- (b) the advisory committee, in a standard review process or an expert review process.

(2) The following drugs shall be subject to an administrative review process:

- (a) an ultra-generic drug;
- (b) a cross licensed drug where the other drug is currently listed in the formulary;
- (c) a drug with a Canadian reference product to a generic drug currently listed in the formulary;
- (d) a drug with a Canadian reference product to a generic drug that had not previously been submitted or reviewed for inclusion in the formulary; and
- (e) a drug with a Canadian reference product to a brand name product.

(3) The following drugs shall be subject to a standard review process:

- (a) a drug with a Canadian reference product to a generic drug that has either been rejected from inclusion in the formulary or removed from the formulary for any reason;
 - (b) a drug with a Canadian reference product to a non-Canadian reference product; and
 - (c) notwithstanding subsection (2), a drug which the minister determines should be reviewed in accordance with a standard review process.
- (4) The following drugs shall be subject to an expert review process:
- (a) a drug without a Canadian reference product which is not
 - (i) an ultra-generic drug, or
 - (ii) a cross licensed drugwith another drug currently listed on the formulary;
 - (b) a drug referred for an expert review process as a result of concerns identified in the standard review process; and
 - (c) notwithstanding subsection (2) or subsection (3), a drug which the minister determines should be reviewed in accordance with an expert review process.
- (5) A submission to the expert review process shall include bioequivalence and bioavailability studies relating to the drug that is the subject of the submission, and any other information that the advisory committee may require to assess the drug.
- (6) In addition to the submission requirements in section 4, when assessing a drug for inclusion in the formulary the minister or the advisory committee, shall consider the following:
- (a) the definition of interchangeable drug products as set out in the Act;
 - (b) whether the drug is of consistent satisfactory quality and safety;

- (c) any clinical concerns raised to or by the advisory committee;
and
- (d) those other matters which the minister or advisory committee considers necessary in the review process.
