Dear Mr. Freeze:

I am writing further to your request under the *Access to Information Act* received on January 30, 2013 for:

Please render this information in a graph format of the year 2009-2012 (27 Dec 12) with fields showing the requesting federal agency. Release fields showing a) the broad nature of the request and b) whether CSEC accepted or rejected the request"

As a result of the intervention of the Office of the Information Commissioner pursuant to your complaint about the exemptions which we had previously invoked, we have carefully reviewed the information in question and determined that additional disclosures may be made. Please find enclosed the four pages which are relevant to your request.

Should you require any additional information or assistance regarding this request, please contact the CSEC ATIP Unit at (613) 991-8443.
