June 18, 2012

Dear Mr. Jones:

I would be delighted if you could join us for an important discussion in Waterloo on the future of digital security.

The symposium is an invitation-only event on the afternoon of **Friday, September 21, 2012**, at the Institute for Quantum Computing, University of Waterloo. There will be small number of prepared presentations followed by facilitated discussions among the distinguished participants.

A candid discussion among recognized leaders will produce a deeper understanding of future challenges facing digital security, and how those challenges can be met. We also expect participants will forge and strengthen relationships, leading to new partnerships and meaningful follow-up activities.

The symposium will be held the same day as the Grand Opening of IQC's new state-of-the-art facility, the **Mike & Ophelia Lazaridis Quantum-Nano Centre**. We sincerely hope you will attend the ribbon-cutting ceremony in the morning, alongside many invited leaders from government, the academic community, and industry. The digital security symposium will follow, starting with lunch, and continue through the afternoon.

At IQC we believe the power of quantum mechanics will revolutionize the global economy and society in the coming years. Innovation and discovery are driven by collaboration across disciplines and sectors. Seizing the benefits of tomorrow's transformational technologies requires vision, leadership, planning, and action today. This is why we sincerely hope that you can lend your expertise and insight to this important discussion on **September 21**.

Please RSVP to

by Friday, July 13, 2012.

I look forward to seeing you in Waterloo to start this exciting conversation.

Best regards,

Raymond Laflamme
Executive Director

Hello

10:45:10 AM / 17/09/2012

Could I kindly inquire regarding airport transfer for Mr. Jones who will be arriving on Thursday, September 20 to attend the IQC Symposium the following day.

Mr. Jones would be arriving at Pearson International Airport (Terminal 1) at 15:00 and would like to inquire if IQC would be providing transportation from the airport to the designated conference hotel.

Thank you in advance for your cooperation.

Kind regards

Hello

I have left you a voice mail but am sending an email in the event you are not at your desk very often.

Mr. Jones will be arriving in Toronto at PIA on Thursday, Sept. 20 in preparation for the following day's IQC Symposium.

Could I kindly ask if the IQC has made airport transfer arrangements for the delegates arriving on the Thursday, or solely for Friday morning arrivals?

We will arrange for private transportation if airport transfer is limited to Friday only.

As always, your assistance is appreciated.

Thank you

Thank you for your offer to accommodate transportation for Mr. Jones to PIA on Saturday, Sept. 22nd.

However, to avoid burdening your office with this singular transportation request, Mr. Jones will arrange his own means of transport.

Your cooperation is appreciated.

Kind regards

If you could please pass along Mr. Jones' departing flight information (including flight time, airline, and confirmation that it's an international flight) for Saturday, September 22, it would help us arrange an appropriate time for this transportation to Pearson International.

Please send this information to me and to

cc'ed on this email.

Thank you,

thank you for your kind offer. I'm heading overseas after the symposium and my flight leaves Sat evening.

If there is a shuttle from the hotel that would be fine.
